    - Vita Community Living Home
  - Sadly, 24 COVID-19 related fatalities in York Region

York Region Public Health continues to urge local residents to stay home whenever possible and practice physical distancing when out doing essential activities, like grocery shopping. Resist the urge to gather with family and friends this holiday weekend. Instead, gather virtually.

If you are feeling any symptoms of COVID-19 (fever, cough, shortness of breath) or are at greater risk of developing serious illness (70 years of age and above, immunocompromised), York Region Public Health asks you to please stay home and self-isolate. Additional information on seeking assessment at one of the three COVID-19 Assessment Centres in York Region is available at york.ca/covid19

The Regional Municipality of York applauds our local health care and front-line workers for their tireless commitment to supporting our community.
