

# 2022 TRANSPORTATION MASTER PLAN UPDATE

## Purpose Statement, Guiding Principles and Strategic Objectives

---

### Purpose Statement:

Plan, build, operate and maintain a connected transportation network for all travellers that is safe, reliable, future ready, sustainable and balances the needs of the unique communities we serve.

### Guiding Principles:

1. Safety
2. Inclusive and equitable
3. Protect the environment
4. Affordable today and tomorrow
5. Balance the needs of communities and commuters
6. Future-ready

### Strategic Objectives:

1. Make the best use of the roads, structures and services we provide
2. Encourage all types of travel
3. Provide a resilient transportation network that is adaptable to the changing environment
4. Enhance partnerships
5. Collaborative sharing and learning through engagement and education
