

THANK YOU YORK REGION RESIDENTS!

SINCE 1998

Your water conservation efforts have added up to

BIG SAVINGS!

You have...

saved
26

MILLION LITRES
of water
EVERY DAY

You have made change happen.

By taking part in York Region's *Water for Tomorrow* program, you have helped save 26 million litres of water per day - that's enough to supply water to 126,000 people! Let's continue to work together to reduce water use.

CONGRATULATIONS!

All of your efforts have made big changes happen.

The Ontario Building Code has changed.

New buildings must have toilets that use 4.8L of water or less.

The retail market has changed.

Most stores now carry water-efficient toilets, faucets, showerheads and clothes washers.
