We regretfully report a total of 42 COVID-19 related fatalities to date. We extend our deepest condolences to the family and loved ones of these individuals.

York Region residents are urged to stay home whenever possible and practice physical distancing when out doing essential activities, like grocery shopping.
If you are feeling any symptoms of COVID-19 (fever, cough, shortness of breath) or are at greater risk of developing serious illness (70 years of age and above, immunocompromised), York Region Public Health asks you to please stay home and self-isolate. Additional information on seeking assessment at one of the three COVID-19 Assessment Centres in York Region is available at york.ca/covid19

The Regional Municipality of York applauds our local health care and front-line workers for their tireless commitment to supporting our community.
