COVID-19
Important

If you have any of the following symptoms:

☑️ Fever
☑️ New or worsening cough
☑️ New or worsening difficulty breathing

(Other symptoms may include muscle aches, fatigue, headache, sore throat, runny nose or diarrhea)

Please return home and contact one of the following:

Your health care provider
Telehealth Ontario at 1-866-797-0000
York Region Public Health at 1-800-361-5653

Please self-isolate for 14 days. Any members of your household or people you have had close contact with from 48 hours before symptoms started should also self-isolate for 14 days.

STAY INFORMED.
