In the last 14 days, have you, your child or other dependants:

Travelled outside of Canada, including the United States?

Had close contact with a confirmed or probable COVID-19 case?

Had close contact with a person with acute respiratory illness who has been outside Canada, including the United States?

If you said “Yes” to any of the above symptoms or exposures (travel, close contact with a case):

- Do not enter and return home immediately
- Make an appointment to seek assessment and testing as early as possible at a COVID-19 Assessment Centre if you have symptoms or close contact with a confirmed COVID-19 case
- Speak to a health care provider or York Region Public Health for information on when you or your household members can safely return to work/school

STAY INFORMED.
